

California OES Weather Threat Briefing

Thursday, June 18, 2020 9:00 AM PDT

National Weather Service

Western Region Headquarters Regional Operations Center Salt Lake City, UT

 Day 1 (Thursday): Red Flag conditions will continue for the Sacramento Valley today due to breezy northerly winds

WEATHER KEY POINTS 06/18/20 - 06/24/20

Thursday

• Elevated winds in the Sacramento Valley will lead to marginal critical weather/Red Flag conditions through Thursday afternoon

Friday-Wednesday

- Hot conditions and offshore flow may bring elevated fire concerns across the mountains of Southern Region and the Antelope Valley by the end of the week and into early next week
- Moderate heat impacts may become an issue as temperatures increase, especially for those without adequate shelter and hydration
